

MBTL Series

Mobile Refuse Cart Lifter

The **MBTL 180** takes one of the best selling, most dependable lifters from **Bayne Premium Lift Systems** and makes it even better. This lifter offers all the best characteristics of the original MBTL, like industry leading ground clearance, solid hook drive mechanism and no packer blade interference. However, with its improved dump height and depth, the MBTL 180 prevents spillage and increases route stops before cycling packer blade.

- Powered by the patented Thinline® rack and pinion rotary actuator for smooth operation
- Compatible with standard domestic style 2-bar roll-out carts
- Solid hook drive mechanism automatically secures the cart to the lift plate during the dump cycle
- Over 19" of ground clearance reduces the risk of damaging the lifter on uneven terrain
- Sweeping motion for increased cart pick-up envelope
- Will not interfere with packer blade when properly mounted
- Powder-coated finish for durability
- 2-Year Limited Warranty
